敬拜羔羊 歌曲

PAUL: (without music) I couldn't help overhearing your worship. It is evident that we are united in our adoration of Jesus. (music begins)

**"Spotless Lamb" (Kirkland/Fettke)

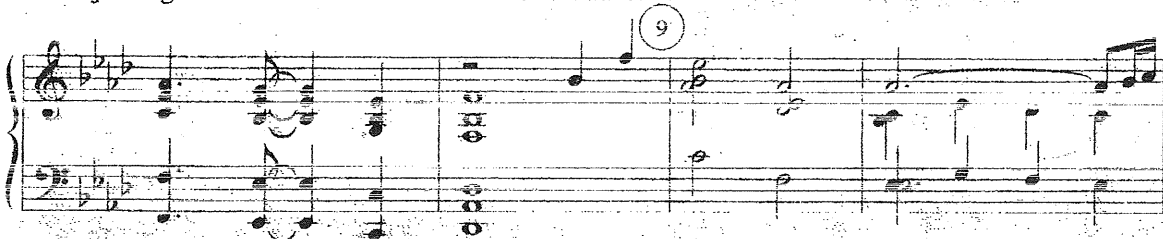

CD: 26 With warmth ♩ = ca. 63

When I was a boy studying the Scriptures, I first learned of the suffering of Jesus from the words of Isaiah. As I listened to the reading from the ancient scrolls, I learned of One who came to love us not to punish us for our sins.

We didn't thank Him or treat Him with any respect. We added our voices to the jeering crowds and shook our fists in His face.

He took our grief, our pain, our suffering, and the punishment we were due. He gave Himself as an offering for our sin. He was beaten for our transgressions and bore our sorrow. And with our sins on Him He died the death of a criminal.

A little faster ♩ = ca. 76

His rightful place was on a throne as ruler of the universe. But He stopped down and identified with the lowly...the sinner...you and me. The immeasurable gap

between God and man was bridged by the One who laid aside His glory and became one of us. All glory and praise to the Lamb that was slain.
